Regulations for Sturry Cemetery

Introduction

Sturry Parish Council (hereafter referred to as “the council”) is the Burial Authority for Sturry Cemetery. All enquiries regarding the cemetery should be made to the council in the first instance.

“The Clerk, Sturry Parish Council, 38 High Street, Sturry, Canterbury, CT2 0BD” Telephone 01227 710443 email: cemetery@sturry-pc.gov.uk.

These regulations apply to the Council’s cemetery at Cedar Road, Sturry, Canterbury, CT2 0JG

In all matters referenced in this document, the ‘Burial Officer’ and the ‘Cemetery Superintendent’ shall have the same authority as that of the ‘Parish Clerk’.

The Council is committed to ensuring that only the highest quality of service is provided. Any complaint about the quality of service should be made in writing to The Clerk.

The Council seeks to provide a sanctuary for the deceased, their family & friends. The council acknowledges that family & friends may have many differing needs, and seek to be both understanding and helpful, in trying to meet the needs of those who use the cemetery. The Council is bound by both guidance and laws, to which it must adhere. This booklet explains what the Cemetery offers, and the regulations with which all cemetery users must comply.

Regulations for Sturry Cemetery

Regulations

1. The Cemetery is governed by the following and other legislation:
 - a. Local Authorities Cemeteries Order Act 1977
 - b. Section 25, Burial Act 1857
 - c. Health & Safety at Work Act 1974

General

2. The cemetery is locked to vehicle access most of the time. Arrangements can be made for vehicular access to Blue Badge holders if required, by contacting the Council. Pedestrian access is always available; however, the Council would not advise access after dark. There is no lighting in the cemetery, and some of the ground is uneven. The council accepts no liability for any injuries sustained by anyone ignoring these regulations.
3. Any member of the public using the cemetery, must if requested to do so, follow the guidance of the Clerk.

Exclusive Right of Burial

4. The Council operates a grave reservation system. An exclusive right of burial may be purchased in advance of an interment, and this reserves a selected grave space for 50 years.
5. When a grave space is reserved, the Council can give no undertaking that at the time of interment the grave space will still be suitable for grave excavation.
6. In cases where the reserved grave space subsequently becomes unsuitable for a burial, an alternative grave will be prepared, and the exclusive right of burial assigned to

Regulations for Sturry Cemetery

the owner without additional fee. The exclusive right of burial in the original grave space will then be surrendered to the Council and records noted accordingly.

7. Exclusive rights of burial will NOT be granted in perpetuity!
8. At or before the end of the 50 years period, the exclusive right of burial may be renewed by the owner of the right. A renewal fee will be payable, and the new grant will be subject to the burial regulations then in force.
9. The owner of the exclusive right of burial, has the legal right to be buried in the plot should they desire, as long as there is the necessary space.
10. The owner of the exclusive right of burial in a particular grave space shall have the privilege of assigning the right of burial to any other member of his/her family, should they so wish.
11. Forms for the assignment of an exclusive right of burial, can be obtained from the Council and must be submitted to the Council for registration, together with the original deed / grant of exclusive right of burial and the necessary fees.
12. The Council will issue a new deed / grant of exclusive right of burial to the new owner.
13. It is the responsibility of the owner of the Deed to notify the Clerk of any change of address from that originally noted in the Parish's Register of Purchased Graves.
14. The Council will not recognise any assignment of an exclusive right of burial without proof of a correct & legal assignment.
15. The grant of the exclusive right of burial shall automatically confer on the registered owner the right to erect and maintain one memorial (*see memorials below.*).

Regulations for Sturry Cemetery

16. The Council reserve the right, which shall be exercised only with the utmost sensitivity and discretion, to permit further burials in the available space remaining in a grave in respect of which the exclusive right of burial has expired. Such further burials do not need to be connected in any way with the previous interment.
17. A grant of exclusive right of burial will not be issued in the name of a funeral director; memorial mason; partner or shareholder in such a firm unless written evidence satisfactory to the Council is submitted to show that the grave is required for use by the applicant as a private individual and not for the purpose of the firm or for the use of another person.
18. The cemetery is intended for the burial of residents of the parish and their immediate family. Burial of non-residents will be considered in special circumstances.
19. No person except for the designated head of any religious house will be allowed to hold at any one time the exclusive right of burial in more than two graves except with the special consent of the Council. A double width grave will, for this purpose, be regarded as a single grave.
